Activity Report

Title: A Virtual Reality: Online Classes

Objective: To know the platforms available for conducting online classes

Date: 07/10/2020

Time: 10.00 am to 1.00 pm

Location: The Oxford Dental College, Bengaluru

Organized by: TODC

Audience: Teaching Staff

Speaker: Dr. Kavitha R

Method adopted: Lecture

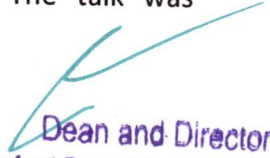

Materials used: Power point presentation, banner, back drop and videos

Description:

The E - Content programme was held on 07/10/2020 and the topic for the programme was "A Virtual Reality: Online Classes". The objective of conducting the programme was to help the teaching staff to explore the various platforms for online classes. The Speaker was Dr. Kavitha R, Prof from Department of Oral Maxillofacial Surgery.

The programme was attended by the teaching faculty who gained knowledge regarding the upsurge to take classes online owing to the pandemic. The speaker used power point presentation for the programme. The talk was well received by the staff members who gained information into using platforms like zoom, MS Teams, Slack and Google meet. The various features of these were highlighted. Teleconferencing, File sharing, storage for remote work and distance education were spoken of.

Downloading these applications and their features for spoken in length. The advantages and disadvantages of each platform was discussed. The talk was concluded by a valedictory and lunch.
