Summary on Library ambience

Physical Ambiences:

The Central Library is housed on the first floor of the Oxford Dental College building with a huge area providing for stocking both books, back volumes of journals & current year journals. The Central Library has in area of 8,085 sq. ft (105'x77' sq. ft.) which is well equipped with comfortable furniture. The Library building is well planned to provide sufficient for all the sections of the Library like, Reading Room, Under Graduate Reading Section, Post Graduate Section, Audio Visual Room, Computer Section, Technical Section, Librarian's Office, Reprography Section.

Physical environment encompasses both architectural elements such as physical layout, furniture, and equipment and visual sensory elements such as colour, texture, and lighting. The TODC Library is having 150 sitting capacity including all section (UG,PG and Staff sections) with 36 watts illumination and fans are ten feet distance. Once in 15 days changing chairs and tables arrangements to attract the students and staff. TODC library painting is light colour to keep the smoothening of eyes.

To create better atmosphere in the library, the various aspects of physical interior environments and interior ambience should be considering such reading sections, furniture, lightings, material and finishes. Physical ambience strongly affects to the students and staff functionally. The physical setting is one of the most prominent and pervasive of these influences.

1. Cleanliness:

Library is a central resource department that is the backbone of all academic programs of the institute. Students and faculty would be spending their considerable time in library premises pursuing their research and studies. Hence it is very much essential that library has a checking system in place to monitor the cleanliness and hygiene of the library premises like regular sweeping, cleaning and mopping of all floors.

2. Electricity and Water and Ventilation:

Ensure that these essential things are working at all times and users would not be put to any inconvenience. Library will be having good electricity and water facilities to students.
