**Title: Training programme on Code of ethics and Research Methodology**

**Date: 15/12/2020**

**Location: The Oxford Dental College, Bangalore**

**Audience: Faculty and Post Graduates**

**Speaker: Dr. Sirekha**

**Method adapted: Lecture in our Auditorium.**

**Materials used: Power Point Presentation, Video Clipping**

**Description:** The programme started at 10:30 am in the college Auditorium by lighting the lamp. Dean welcomed the gathering and further welcomed the speaker of the day by a floral bouquet. Dr. Sirekha speaker of the day begins the lecture by introducing the term code of ethics and its importance in research. She also mentioned there should be honesty in the data procured and regarding the results and methodology. Do not deceive your colleagues and research sponsors. She also mentioned regarding the mission or vision of the organization.

The action taken against the professional who breach the code of ethics was also presented and discussed. The guidelines of code of ethics and research ethics were elaborated. The terms ethical issues, plagiarism, fabrication was dealt in detail. The training began around 11:00 am and continued till 1:00 pm it was a very interactive session as it was very important topic in the component of research methodology.

**Title: Building on Life Skills "Critical Thinking for Academic Research"**

**Objective:** To train the first year MDS students on the Research protocols.

**Date:** 04.03.2021

**Time:** 10.15 am to 1:00 pm

**Location:** Lecture Hall

**Organized by:** ALUMNI Association, TODC

**Audience:** Final year MDS students and Teaching Staff.

**Speaker:** Dr. Sushi Kadanakuppe

**Method adopted:** Workshop

**Materials used:** Power Point Presentation and Videos

**Description:** Workshop on Life Skills "Critical Thinking for Academic Research" was organized by Alumni committee in association with Department of Public Health Dentistry on 04<sup>th</sup> March 2021. The participants included were 1<sup>st</sup> year MDS students of all the dental specialties and Teaching Faculty.

The resource person was Dr. Sushi Kadanakuppe, MDS, PhD, (Alumni of The Oxford Dental College) Department of Public Health Dentistry, VS Dental College who is an expert in field of Critical Thinking and Life skills.

The workshop was very interactive and informative which helped the MDS students clarify most of their doubts.

## THE OXFORD DENTAL COLLEGE

### DEPARTMENT OF CONSERVATIVE DENTISTRY AND ENDODONTICS

#### ABOUT THE SPEAKER

Dr Manikya Arabolu is currently working with 3M as their Clinical Specialist for South India. Prior to this she has been a practicing Prosthodontist and General Dentist. She has extensive clinical practice experience of over eight years, having worked with top notch Dental clinical chains across the Northern and Western parts of the country. She completed her PG in Prosthodontics from RGUHS, Bengaluru and her BDS also from the same university. She has authored and co-authored several scientific papers on various topics.

#### LEARNING OBJECTIVES

- 1. Discussion of issues faced with composite restorations
- 2. Modern Cavity preparation
- 3. Discussion on pulp protection
- 4. Newer matrix systems in use today
- 5. Do we etch or not?
- 6. How to bond effectively?
- 7. Class 2 restoration with bulkfill materials
- 8. How to polish these restorations for an excellent long lasting finish
- 9. Please join the meeting using below link through Microsoft Teams application

### **Loupes in Dentistry**

A CDE programme was organised by the Department of Conservative Dentistry and Endodontics on the 18-02-2021 on the topic "Loupes in Dentistry".

A lecture was given on the same by Dr. Srirekha. A and students were explained about benefits of using loupes in treating different cases and their outcomes which was then followed by demonstration given to the students.

There are three principal reasons for adopting magnifying loupes for operative dentistry: to enhance visualization of fine detail, to compensate for the loss of near vision (presbyopia) and to ensure maintenance of correct posture.

### Activity Report – CDE Programme

#### Ex Machina - A Peek into The Future of Pathology and Healthcare

##### Objectives :

- ❖ To create awareness among the Participants about Machine learning and Artificial Intelligence and its application in pathology.
- ❖ To create awareness among the Participants about Machine learning and Artificial Intelligence and its application in healthcare.

**Date:** 23rd June 2021

**Time:** 10:00 am – 11:30 am

**Location:** The Oxford Dental College, Bangalore

**Organized by:** Department of Oral Pathology and Microbiology

**Audience:** PGs, Interns and Faculty

**Speaker:** Dr. Shashidara R

**Method adopted:** Online Platform, Discussion

**Materials used:** Power point presentation, Brochure, banner, back drop and videos.

**Description:** The Department of Oral Pathology, Oxford Dental College conducted a CDE Programme on "Ex-Machina -A peek into the future of Pathology, and Healthcare" on 21st June 2021. A total of 47 students and Faculty from The Oxford Dental College participated in the Program.

With digitalization disrupting every industry, including healthcare, the ability to capture, share and deliver data is becoming a high priority. Machine learning, big data and artificial intelligence (AI) can help address the challenges that vast amounts of data pose. Artificial intelligence has helped in analyzing data on patient visits to the clinic, medication prescribed, lab tests and procedures performed, for tumor detection and grading to name a few.

### Report on Orientation for fresh Students

An orientation programme is organised for the 1<sup>st</sup> BDS students on 15/02/2021 in the lecture hall, in this event all the fresh students and their parents or the local guardians are present. The programme commences with an invocation by seeking the blessings of the Lord Almighty, followed by lighting of lamp by the dignitaries on the Dias. Our Principal delivers the welcome address followed by our Chairman's speech regarding the insight of the college and finally the chief guest of the day will address the students with regard to the course etc. Finally we end the programme with vote of thanks followed by high tea to all the students, parents and staff. Later the students will have the orientation class in the lecture hall and files are distributed to all of them.

### White Coat Ceremony

White coat ceremony is a programme organized by our college for the clinical students to guide them about the professional ethics. This event is conducted once students enter into 3<sup>rd</sup> year as clinical students after their preclinical year. White coat ceremony was held for 3<sup>rd</sup> BDS students before the commencement of Clinical Postings of the students. This programme was organized on 13th January 2021 in our college auditorium with almost 70 participants in this event. The dignitaries on the Dias Dr. A.R. Pradeep, Professor & Head Department of Periodontics and DR. Ashish Nichani, Professor department of Periodontics inaugurated the event. The students were guided by eminent Dental Faculty and practitioners regarding Patient management, treatment procedures and infection control protocols. This was intended to provide students with well-defined guidelines regarding the responsibilities of a clinician, as they transited from pre-clinical work to clinics. The students were also guided regarding the communication skills with the patients, dress code & also their responsibilities as a doctor towards the patients. The programme was wound up after distribution of apron (white coat) to the clinical students.

### Report on infection control and biomedical waste management

The Oxford Dental college and hospital follows the protocol of the infection control and biomedical waste management. The programme for nurses and technicians was organised on 11/08/20, in the seminar room of the department of public health dentistry at 11:30 am they were educated on sterilization of the instruments using autoclave they were briefed about chair side disinfection and fumigation of clinical sections at the end of the day

The programme for technicians was organised on 11/12/20 and all the technicians were educated about the disinfection of the impressions of the patients, the models of the impressions and equipment in the lab area and they were also guided to follow the infection control protocol in the laboratory area.

The programme for housekeeping staff was organised on 15/02/2021, were they were educated about the most important requirement in the hospital is to maintain the hygiene which is done by the house keeping staff that there is no harm from the hospital side to the sick people and to avoid any cross infections from other patients and doctors. All the clinical sections and the departments in the college follow the segregation of waste by placing separate bins for contaminated waste by the house keeping staff, plastics etc which is maintained by the house keeping staff, chair side protocols are followed by all the undergraduate, postgraduate students and staff during the treatment procedures till the patients are discharged from the clinics, the segregated biomedical waste is disposed from the hospital and authorised agencies.
