Sir,

Sub: Revision of renewal charges for the disposal of Biomedical waste from
The Oxford Dental College, Bommanahalli (HSN/SAC Code 9994).

Ref: Your letter No. MARIDI/Bio/RNWL-QTN/2020-21/004 dated 09-03-2020.

The Management of The Oxford Dental College extends its greetings to Maridi Bio Industries Pvt. Ltd., for handling of Biomedical waste, transportation, treatment and disposal promptly and regularly by charging the prescribed rate.

In your letter under reference it is proposed to increase the existing rate for renewal by 12% per month which would work out to Rs. 8,960/- as against the current rate of Rs. 8,000/-, which is inexpedient and uncalled for in the current scenario. The Biomedical waste generated in The Oxford Dental College is also very meagre. There has been substantial escalation in the recurring maintenance expenditure of the College and the proposed increase of the renewal charges would cast another financial burden which could be averted for the present.

You are therefore requested not to revise the renewal charges for the disposal of the Biomedical waste for the present and to forward the MOU charging the existing rate for Biomedical waste effective from 01-04-2020 to 31-03-2021 at the earliest.

Yours faithfully,
