**Portray the performance of the Institution in one area distinctive to its priority and thrust**

The institute works on certain recognizable attributes for which outcomes are tracked. The Planning Committee consisting of the Principal, IQAC, and the Heads of Departments meets during the beginning of the academic year to discuss the strategies to be adopted for considering a safer and more efficient working environment.

**Hybrid Learning** was adopted on ensuring the safety and security of the students during the pandemic time. Recorded lectures, video-based learning, student presentations and virtual lectures and examinations marked some of the hallmarks of this session.

**Social outreach** has been the cornerstone on which the ethics and values of the institute is to provide a quality and safe treatment environment for the patients during the pandemic times by regular sanitization and following proper COVID protocols and having kiosk and COVID testing center from the government to monitor the public and awareness programs in the society.

**well-being of staff and students** An In-house booster vaccination drive was carried out for the staff and the student welfare.
