attendance register records. Grade III and Grade IV staffs are not according to the register.

4. **Clinical Material:**

- a) Data of clinical material (OPD of the department and main OPD) do not match the upon physical verification.
- b) There were hardly any patients in the clinics.
- c) In the department of OMR, on checking the OPD register it was found that the OPD register was filled with fraud entries. It is pertinent to mention that after checking few blank spaces an entry was done for Pedodontics Department on 11.02.2020. The blank space were marked & signed. But at end of the day on 11.02.2020 the entries were done over the signature also.
- d) In the Department of Prosthodontics, the OPD (UG) register has daily entries going on sequence of odd & even numbers systematically. No patients of CD, RPD etc. has been entered twice on any date meaning that there is never a treatment given as Prosthodontics patients require multiple appointments. Many blank OPD numbers were left in OPD (UG) Prosthodontics were fraud entries. No separate Implant clinics present.
- e) **Orthodontics:**
 - a) There was no appointment register for the patients.
 - b) The PG Students could not show any finished cases / work being done.
 - c) The OPD register entries didn't match. The patients as seen physically.
- f) **Periodontics :-**
 - a) PG Dental Chairs are not attached with ultrasonic scaler excepts in 2-3 chairs.
 - b) In UG clinics 25% of the chairs were not attached with ultrasonic scalers.
 - c) No separate implant section present
- g) **Oral Surgery:-**
 - a) No orthognathic cases are shown.
 - b) PGs are not paid stipends.
 - c) Hostel (sharing basis with other colleges in the campus).
 - d) Single bus is provided to carry about 200/300 students to the medical college which is 20 km away through a busy road. B.sc Nursing & other nurses also carried in the same bus. As only 50 students can travel only in the bus rest has to commute in private vehicles.
- h) **Oral Pathology:-** No pentahead microscope is present.
- i) **Conservative Department:-**
 - a) PG Dental Chairs are less 30 chairs are present against requirement of 34 chairs.

2	Distance from Dental college to medical college by road is 20 km	2. Due to ongoing metro work and travelling through alternate routes, the distance to the Oxford Medical College has increased. Hence permission has been taken from St. John's Medical College, which is at a distance of 4.5km from the dental college. Copy of the letter for extension of Clinical facilities; No. 3/1/823/2020; Dated 15-09-2020 is at Annexure -4. St. John's Medical College is a recognized Medical College, the college does not have its own dental college, and no dental college is attached.
3	On physical verification on the date 11.02.2020 Conservative Department has got 5 staffs, Public Health Dentistry have got 3 staffs, Pedodontics got 5 staff, Oral Pathology have got 4 staffs, Periodontics have got 9 staffs and Prosthodontics have got 11 staffs, Oral Medicine have got 9 staffs, Oral & Maxillofacial Surgery have got 10 staffs, Orthodontics have got 11 staffs, Periodontics have got 4 staffs, suddenly on 12.02.2020 (second day of the inspection) the staffs in all the departments has swollen up to the double and triple which does not match bio-metric & attendance register records grade III and grade IV staffs are not according to the register.	3. List of Dental Teaching staff is at Annexure - 5 List of Non Teaching staff / Administrative / Ministerial staff & Supporting staff is at Annexure - 6
4	Clinical Material: a) Data of clinical material (OPD of the department and main OPD) do not match the upon physical verification. b) There were hardly any patients in the clinics.	(a) The reasons for mismatch of the OPD of the department and main OPD are due to patients referred from one department to another department for curative treatment in a particular area of specialization. (b) There are adequate number of patients in the clinics as the college is strategically located at 10 th milestone on Hosur road. No other dental colleges are located within a radius of 10km. Moreover, the college is in the vicinity of many industries, garment factories and IT sector which ensures a regular good inflow of patients. Due to this, NAAC has accredited the college with a high score of 3.66/4, thus according an 'A' grade. Hence there is no dearth of clinical material. Copies of OPD registers are at Annexure - 7A & 7B

<p>e) In the department of Oral Medicine & Radiology, on checking the OPD register it was found that the OPD register was filled with fraud entries. It is pertinent to mention that after checking few blank spaces an entry was done for Pedodontics Department on 11.02.2020. The blank space were marked & signed. But at end of the day on 11.02.2020 the entries were done over the signature also.</p>	<p>(c) There is no discrepancy found and the copies of OPD registers are at Annexure - 8</p>
<p>d) In the Department of Prosthodontics, the OPD (UG) register has daily entries going on sequence of odd & even numbers systematically. No patients of CD, RPD etc. has been entered twice on any date meaning that there is never a treatment given as Prosthodontics patients require multiple appointments. Many blank OPD numbers were left in OPD(UG) Prosthodontics were fraud entries. No separate Implant clinics present.</p>	<p>(d) Systematically the entries in the OPD (UG) have been maintained. Certain OPD nos. were entered, but upon examination of the patients it prompted referring them to other departments for procedures such as oral prophylaxis, extractions. Hence the particulars could not be filled.</p> <p>Details of the OPD in PG & UG & also treatment particulars are at Annexures 9 & 10</p> <p>Separate Implantology clinic has been set up and is functional.</p>
<p>e) Orthodontics:</p> <p>a) There was no appointment register for the patients.</p> <p>b) The PG Students could not show any finished cases / work being done.</p> <p>c) The OPD register entries didn't match. The patients as seen physically.</p>	<p>(a) Individual post graduate students are maintaining patient appointment diaries. Additionally, appointment register is now being maintained for the patients.</p> <p>(b) PG Students carry out the assigned cases and records of finished cases are being maintained. Copies of work done register at Annexures- 11</p> <p>(c) Details of the OPD are at Annexures - 12</p>

<p>f) Periodontics</p> <p>a) PG Dental Chairs are not attached with ultrasonic scalers excepts in 2-3 chairs.</p> <p>b) In UG clinics 25% of the chairs were not attached with ultrasonic scalers.</p> <p>c) No separate implant section present</p> <p>g) Oral Surgery:-</p> <p>a) No orthognathic cases are shown.</p> <p>b) PGs are not paid stipends.</p> <p>c) Hostel (sharing basis with other colleges in the campus).</p> <p>d) Single bus is provided to carry about 200/300 students to the medical college which is 20 km away through a busy road. B.sc Nursing & other nurses also carried in the same bus. As only 50 students can travel only in the bus rest has to commute in private vehicles.</p>	<p>(a) All the PG dental chairs have now been attached with ultra sonic scalers. The details of the equipments available are at Annexure - 13.</p> <p>(b) An adequate number of UG dental chairs have now been attached with ultra sonic scalers. The details of the equipments available are at Annexure - 14.</p> <p>(c) Separate Implantology clinic has been set up and is functional.</p> <p>(a) Few orthognathic cases have been treated. Details of two cases are at Annexure -15</p> <p>(b) Under consideration.</p> <p>(c) Separate hostels for boys & girls studying UG & PG courses have been provided in the campus. Not shared with any another college students. Details are at Annexure -16A</p> <p>(d) All the classes in the medical basic science subjects for the first and second year BDS students are conducted in the dental college itself. Only the third year BDS students numbering about 80 travel for General Medicine and Surgery clinics. Nursing students reside in The Oxford Medical College itself. Moreover, due to the ongoing pandemic, the under construction metro rail network connecting the colleges has been delayed and is likely to be functional within 6 months to 1 year.</p> <p>The following buses that are registered in the name of The Oxford Dental College are exclusively for the dental students. Details of seating capacity of the buses is as:</p> <table data-bbox="686 1653 1031 1742"> <tr> <td>(1) KA51.9405</td> <td>57 Seater</td> </tr> <tr> <td>(2) KA51.A5409</td> <td>52 Seater</td> </tr> <tr> <td>(3) KA51.A9495</td> <td>42 Seater</td> </tr> </table> <p>Details of the above buses are at Annexure- 16B.</p>	(1) KA51.9405	57 Seater	(2) KA51.A5409	52 Seater	(3) KA51.A9495	42 Seater
